Welcome to Global Cargo Solutions!

HAPPY NEW YEAR TO ALL OUR EXISTING AND POTENTIAL CUSTOMERS

- Worldwide Air and Sea Freight
- Express European Trailer Movements
- Daily To the Whole of Ireland
- Specialists in Hazardous Cargo
- Regular Departures to All Other Offshore Destinations -
The Isle of Wight, the Isle of Man, the Channel Isles and Scottish Islands

Introductory Offer on our 'flagship' service to Ireland

We would like to offer new customers a discounted service upgrade on our daily service to Ireland.

We offer the following service levels:

- Overnight to selected areas
- Two day
- Economy 3-4 day

All new customers can take advantage of our special offer.

This time of year its quiet so why not take advantage of that and get a comparison quote from us to see how competitive we are.

We also offer an "emergency" service, for those "screamers" that just have to be there yesterday and we are contactable 24/7!

All your shipments are tracked throughout transit. Join our many 'blue chip' clients, who have the confidence and total trust to deliver on time, every time!

Western Europe

We are consolidating our network strategic alliances across Western Europe and Scandinavia.

Challenge us for competitive rates and quality service.

Eastern Europe – Baltic States,

Russia, Ukraine and Central Asia. LTL and FTL weekly to all areas.
Service has recently been extended to Kazakhstan servicing the Central Asia region – agents in all areas.

Worldwide Airfreight Import Service

- Door to airport all inclusive of origin charges
- Delivery to door – UK worldwide
- Full clearance facilities in London and Manchester

Response:

We understand the urgency that is required in moving goods throughout the globe. We aim to offer immediate response to rate requests and status updates.

With more than **200 partner offices worldwide**, we can offer point to point services to and from almost anywhere in the world. **It's a network that never sleeps.**

We will continue to produce regular newsletters – more information can be found on our website
